JDRF ONE WALK - The goal of One Walk is to create a world without Type 1 diabetes (T1D). Join us on October 13th by participating in your local JDRF One Walk at Churchill Downs. Registration is 10am and the walk begins at 11am. The money you raise supports life-changing breakthroughs that give hope to everyone impacted by this disease and you'll have a great time doing it! That's because you'll walk with a committed community that is passionate about doing whatever it takes to help turn **Type One** into **Type None**. Type 1 diabetes is an autoimmune disease that strikes children and adults suddenly. It has nothing to do with diet or lifestyle—and it is serious and stressful to manage. There is nothing you can do to prevent T1D and there is currently no cure however there is something you can do to help. Please register to walk with us today by visiting www2.jdrf.org. We can't do it without you.
