

Free Take-Home COVID-19 Test at the Union Hall

Although we are no longer in a pandemic, COVID-19 continues to be a problem. To ensure the safety of our members (active and retired) and their families, we have attained over 300 take-home COVID tests from General Motors. The tests will be available at the Union Hall (2505 W. E. Roberts Street, Grand Prairie, TX 75051) *while supplies last* between the hours of 9:00 AM and 3:00 PM Monday through Friday. Let's all stay safe!

In Solidarity,
Kenny Hines, Unit 1 (GM) Chairperson
