

# UAW Local 276

## Strike Pay Announcement

If your name is on the list below, there is at least one **RED X** on your strike benefit registration. You **must** go to [strike.uaw.org](http://strike.uaw.org) to complete or correct your information. After making your changes, ***be sure to click the “update” button*** to complete the process. **You will not receive strike pay from the International UAW until you make these corrections.**

If you do not appear on this list and have not yet been paid for your strike duty, your name has been sent to the UAW International Auditing Department to have your payment processed.
