Stay in the Know

The Building Committee has received several remodeling bids for our Union Hall. While many of you may not be aware of the current conditions, the situation has reached a point where health and safety of our members are a concern and timely action is necessary. Please review in advance and plan to attend the January 11 meeting with any questions you may have. This is an important decision and we encourage everyone to participate, share their perspective, and make their voice heard and vote count.
